Summer Teacher Workshop

a focus on experiential and collaborative education

June 22 to June 26, 2026

Gather with fellow educators to enhance your existing classroom practice through project- and play-based approaches. In this free professional development workshop for teachers, participants will explore the New Haven area's rich resources alongside mentors from a variety of disciplines.

WHERE: Hopkins School
New Haven, Conn.

WHO: Connecticut school teachers,
pre-K to grade 6
